At this point you can turn off your internet connection, to make sure no one can steal your recovery phrase.

RECOVERY PHRASE

*Do not screenshot, or type it on a device. ONLY ON
A PIECE OF PAPER THAT SHOULD BE STORED IN YOUR
SAFE AND BACKED UP IN ANOTHER LOCATION AS WELL.
I SUGGEST BREAKING IT TO 2-3 PIECES AND STORING IT*

Please, make sure you have carefully written down your recovery phrase somewhere safe. You will need this phrase to use and restore your wallet. Phrase is case sensitive.

spawn shell meat foster term float mechanic coil
phone imitate eternal drink soul movie toss

YES, I'VE WRITTEN IT DOWN.

- Yoroï will ask you to click on the words in the order you stored them, to verify that you have written them down.

You have not delegated your ADA yet

Go to the delegation page to choose what stake pool you want to delegate in.

After copying the address, go to the exchange platform where you bought ADA tokens (Cardano) and Withdraw them to your address. After some time the balance will be shown on Dashboard and Transactions.

ATTENTION:
The new saturation point for Stakepools will be 63.6 million ADA from December 6th. If the "Pool Size" parameter of your Stakepool is over this limit, delegate to a new stakepool to avoid less than expected rewards
